PROTOCOL:

It is said, easy to sit up and take notice. What is difficult is standing up and taking notice. Today we are celebrating the fact that someone stood up and took that action. Today we are celebrating enthusiasm, commitment and sheer hardwork.

Enthusiasm is often neglected as a force. Yet without it, there would be few achievements. Enthusiasm sets fire to the imagination. It asks “what if I did” and “if I did not” and the result depends on the answers to the questions.

Today we are honouring those who asked these questions and committed themselves to finding the answers. We are honouring those who worked late into evening and early in the morning.

I want to welcome every one of us to this very important epoch-making ceremony of conferring honour on a man of substance, intellectual juggernaut, a woman with a magnificent experience. I am talking about the remarking, palatable, unbeatable, irremovable, incorruptible, delectable and reliable Dr. Jimson Olufuye - a patriotic Nigerian, Benevolent Personality and a True Federalism.

The **PAN-AFRICAN STUDENT MOVEMENT (PASM)** is a democratic student platform, which does not discriminate on the basis of religion, gender, ethnic or sectional sentiments, but with the core aim of contributing to topical national issues by objective analysis, engaging in capacity building activities for members via exchange programs, campaigns against drug abuse, campus militancy otherwise known as cultism, examination mal-practices, campus prostitution and other forms of vices affecting youth today. We also honor individual and cooperate bodies who have in one way or the other contribute to national development, so one can say that it is in line with the stated objective that we have actually come here today, to honor a man who has distinguished herself in the area of effective service delivery, especially as it affect national development and positive contribution to humanity.

The **PAN-AFRICAN STUDENT MOVEMENT (PASM)** has constituted herself as an instrument of National and International integration even as we pay rapt attention and show keen interest in the process of development of our dear countries and Africa.

Distinguish –Dr. Jimson Olufuye other Dignitaries here present, Ladies and gentlemen, the remarkable impact and inputs recorded, owing to the commitment of our amiable Recipient in his capacity as the Chief executive Officer are outstanding as they are remarkable. He has also contributed in the key area of improving standard in training and practice,

adding value to Kontemporary konsulting, youth empowerment, Astute patriotism, True

Federalism,

National Development and integration especially in the area of helping improve the ICT Sector of our dear nation and beyond is quite unprecedented just as it is evident. It is for this very reason that the **PAN-AFRICAN STUDENT MOVEMENT (PASM)** takes out her time to scrutinize these emerging Qualities of leadership in reputable personalities, statesmen and public office holder in Africa.

Philosophers have interpreted the world; it is left for us to change it. A society can be moved to greater heights and higher ideas only by the number and strength of Dreamers, Thinkers and Doers available to it. Giving expression to these dreams requires continuous does of patriotism, selflessness, incorruptibility, determination and courage to trudge on against all odd, as being exemplified by Dr. Jimson Olufuye.

Where there is no sweet dream, there is bound to be Nightmare; where there is no Altitude, there can be no Latitude; where there is no progression, there will be Depression; and where there is no vision, the people perish.

Permit me to say at this juncture, a big congratulation to you, your team and other acolytes. You are indeed a Visionary Leader, a Selfless-charismatic person and above all, an Epitome of Development Worthy of emulation.

Kindly permit us to use this medium to humbly request your kind assistance to offset the cost of logistics and planning, Transportation/Flight Ticket of Delegates and Allowance incurred in the course of planning this memorable event and then, a Discretionary donation to **PASM** to facilitate the numerous activities of this noble organization. As an Association with a noble goal of enhancing peaceful co-existence and National integration, we have lines of actions and programmes yearning for support from kind-hearted humanitarians and in that regard, always appreciate any kind of gesture coming from our benefactors and benefactress. It is on extended to this union to enable us run our activities.

We know you are person of magnanimous disposition and we are left in no doubt that your benevolence and that of this reputable office and our Recipient would be brought to bare on PASM and on each of our delegates who have travelled from far and near.

Distinguished Ladies and Gentleman, kindly permit me to roundup as I pray in the word of a leader and a great philosopher, “May God give us the ability to change the things we can; the resilient and fortitude to bear the things we cannot change; and above all; the wisdom to distinguished between the things we can change and the things we cannot change **(AMEN)**”.

Accept our congratulation, Sir.
